Dear Joshua:

We would be very happy to transfer the invitation to Mr. Zinder, and I hope that you will be willing to inform him of all the details.

I am enclosing an outline of suggestions to the authors, which I hope is clear. I would appreciate it if you could let me know whether I enclosed one of these in my first letter to you. We sent out several invitations, and I thought that we had included them. If we did not, we should send them to the other people.

Best regards.

Sincerely yours,

Bill
